SALE OF TODDY VEND FARMS FOR 1896-97.

Notification No. 8030—*Ex.* 243, *dated 5th March* 1896.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Date Toddy in the various classes of farms specified in the subjoined schedule for one year beginning with 1st July 1896 and ending with 30th June 1897, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said schedule and at the Taluk Kasbas, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms, or should any of the present farms be unduly large, the officer conducting the sale, may revise, sub-divide or otherwise re-arrange the farms subject to the approval of the Excise Commissioner.

2. The exclusive privilege above described will be put up to auction, and will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject any bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Provided that if the Deputy Commissioner considers it advisable, he may permit a deposit in cash or Government securities equal to only two months' rent, or such deposit equal to one month's rent and personal security for three months' rent. If he fails to produce the aforesaid securities, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. The existing shops in each farm and the groves attached to each farm, the yearly rental of each farm, &c., for the previous years are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) For the supply of toddy to his shops, the licensee shall have the exclusive privilege of manufacturing toddy from the date trees in the groves assigned to his farm; and he shall be at liberty to manufacture toddy from date, palmyra or cocoanut trees in private lands either inside or outside the limits of his farm, on separate free licenses issued under Section 5 of the Excise Act, or to buy it from other farms, under private arrangements between him and the owners of such lands or the licensees of such farms, as the case may be, the selling price of palmyra and cocoanut toddy being fixed by the Excise Commissioner from time to time.

(2) The exclusive privilege shall extend only to the sale of date, palmyra and cocoanut toddy, and shall not include the sale of bagani toddy.

(3) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1896 together with the local cess of one anna on every rupee of such instalment; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of the Deputy Commissioner may, in his discretion, direct the

Amildar to break up the defaulting farm into the existing number of shops within it, a
give to each separate shop-keeper a license for the rent he agrees to pay, provided t
total of such rents is not less than what the defaulting farmer had agreed to pay.

(4) The deposit made by the licensee shall be taken in payment of the instalment due in the la
month or months of the period of the farm. Provided, however, that when the farm is r
sold or broken up under the provisions of sub-clause (3) above, the deposit shall, at th
discretion of the Deputy Commissioner, be either forfeited or be appropriated towards th
arrears due by the defaulter as well as towards the deficits, if any, arising from the re
sale of the farm. The balance of such arrears and deficits, if any, shall be recoverabl
with interest at 6 per cent per annum from the licensee or his surety or sureties, or fron
both, under the rules in force for the recovery of arrears of land revenue. No remissio
or abatement of the rent or compensation shall, on any account whatever, be claimable by
the licensee.

(5) The toddy shall be sold to the public at the rates prescribed by Government.

(6) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in
any manner in the shops, or depôts if any.

(7) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-
keepers. The passes issued with the toddy transported, shall be subject to examination
and check by the officers authorized on this behalf.

(8) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the
prescribed form, and no new shops shall be opened without the previous sanction of the
Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any
other manner unauthorized by the rules, shall be strictly prohibited.

(9) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or
permit transfers of shops from one place to another.

(10) The licensee shall not, during the term of the license, have any interest in the exclusive
privilege of vending arrack in any part of the farm to which the license relates, nor permit
any person having interest in the exclusive privilege of vending arrack in any part of the
farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall
he, during the term of his license, without the written permission of the Excise Commis-
sioner, have any interest direct or indirect, in any toddy farm in any Districts of the
Madras or Bombay Presidency under the British Government or in any other Foreign
State or Territory.

(11) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any
additional rules which may from time to time be prescribed under the Excise laws. The
licensee shall use such measures as may from time to time be prescribed by Government,
and provide himself with permit books for the transport of toddy, which books may be
purchased from local Excise officers.

(12) The farm shall not be transferable except with the permission of the Excise Commissioner.

(13) Resignations of farms in whole or part will be summarily rejected by the Deputy Commis-
sioner.

(14) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and re-sell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government. When a farm is cancelled, the rent for the whole period of the farm shall become due at once; and all loss caused to Government by the cancelment or re-sale of the farm shall be made good by the licensee or his surety in the manner specified for re-sales in para 4 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other enactments or rules for the time being in force.

By Order,

Secy. to Govt., Genl. and Rev. Departments.
